CAPS & CLOSURES
COLLECTION

CAPS & CLOSURES

Our solutions don't stop at the glass container, for every jar or bottle, a closure is required. From standard off the shelf closures to fully bespoke options, Pattesons can offer a range of sizes, styles and colours depending on what product is being filled. Our selection spans from twist off caps sized 43mm - 110mm to cork stoppers to Plastic or metal screw caps.

Pattasons have worked with many international brands to create, design, and produce bespoke Corks. Renowned for our flexible approach, Pattasons can offer their customers a unique online experience with the use of our newly built cork configurator tool that helps visualise our bespoke decoration options. Once designed, our trusted network of suppliers can help tailor production runs to suit all demands.
