CASE STUDY

HAWKSHEAD RELISH COMPANY

Hawkshead Relish Company are a multi award winning artisan food producer based in the town of Hawkshead within the Lake District. They are a family run business that has grown from a busy café into a leading UK producer of chutneys, jams & preserves with over 100 products and 60 great taste awards to their name.

OUR SOLUTION

We have a long-standing relationship with Hawkshead, having worked with them on several projects over the last decade and supplying them with a range of articles including our milk bottles, hexagonal jars and panelled jars. Hawkshead wanted to commission a Christmas range of chutneys that stood out from the rest. Using our extensive network of suppliers, Hawkshead looked towards our Oskar range consisting of a 106ml and 212ml jar.

RESULTS

Hawkshead Relish released their Christmas range in the elegant Oskar Jars to accompany their existing ranges including the milk bottles and hexagonal jars.
